IA Valuable Medicine. For Coughs and Colds in Children.

"I have not the slightest hesitancy is Remedy to all who are suffering from coughs or colds," says Chas M. Cramer, Esq., a well known watch maker of Columbia, Ceylon, "It has been some two years since the City Dispensary first called my attention to this valuable medicine and I have receased. medicine and I have repeatedly used it and it has always been beneficial. It has cured me quickly of all chest colds. It is especially effective for children and seldon takes more than one bottle to cure section takes more than one bottle to cure them of hoarseness. I have persuaded many to try this valuable remedy and they are all as well pleased as myself over the results." For sale by all deal-ers in medicine.

"A neighbor ran in with a bottle of Chamberlain's Co.ic, Cholera and Diarrhoes Remedy when my son was suffering with severe cramps and was gives up as beyond hope by my regular physician, who stands high in his prefession. After administering three desserts the son resident configurations and fession. After administering three desset of it, my son regained consciousness and recovered entarely within twenty-four hours, says Mrs. Mary Haller, of Mount Constituted Va. Orawford, Va. This remedy is for sale by all dealers in medicine.

THE LARGEST DAM IS IN ARIZONA

ough Investigation

One of the largest reservoir sites in The dam site is situated in a parrow the bed of the river, is nearly 1,000,000 giving courage to the disappointed great reservoir now in construction time to make our own lives awester.

eial reservoir in the world.

One of the serious obstacles in low enough to make the project financially practical. About 150,000 barrele of coment will be needed, which . owing to the isolated location of the site and the long overland haul. rate of \$5 a barrel Fortunately for manufacturing a high grade shauge. cement, which will save nearly a million dollars in the cost of construction. Water power will be developed on the spot, if the dam is authorized, to do the heavy work of

The proposed project will bring under irrigation nearly 200,000 scree of desert lands, besides furnishing a reliable supply of water to a large area now irrigated by the presarious flow of the streams in their patural state.

A Raging, Roaring Ploed.

Washed down a telegraph line which repair. "Standing waist deep in ing water," he writes, "gave me a terrible cold and cough. It grew worse daily. Finally the best doctors in Oakland, Meb., Bioux City and Omaha said I had consumption and could not live. Then I began using Dr. King's New Discovery and was wholly cured by six bottles." Positively guaranter! for coughs, colds and all lung troubles by Tembstone Drug stere. Trial bottle free.
